

Revised Charter

Sunflower Technology Club **(Charter Club)**

Club Purpose:

To provide a forum for the exchange of information and knowledge among its members relating to all aspects of technology to include personal computers and their uses. To operate a computer facility for use by and training of its members.

Membership Requirements/Dues

Membership is open to all Sunflower Community Association Members. Annual dues are to be determined at the club annual membership meeting. The fiscal year runs from October 1st through September 30th. All membership renewals are due no later than September 30th. An application form for Renewal/New members can be obtained from the Front Desk at the Village Center or on the Club website.

Meeting Times/Locations:

The Technology Club meets at 10 AM on the 2nd Wednesday of the month from September through May in the Fiesta room. All Sunflower residents as well as Club members are invited to attend the meetings.

Contact Person:

Current board president

Computer Lab:

A computer lab with up-to-date computers (Windows and Apple Mac with OSX systems) is maintained for club members. All computers have high-speed Internet connections. Several printers are available and work with all computers. Scanners are also available to scan your favorite photos, slides or documents and photo software is installed on most computers.

Various technology instruction classes and workshops will be offered to members throughout the year. Most General Membership Meetings include the

opportunity for members to ask technology related questions and participate in the exchange of technical information.
