

Sunflower Community Veterans Club

Larry Schierer

The Sunflower Community Veterans Club would like to thank all the wonderful residents that made it possible to donate more than \$20,000 to organizations supporting veterans. Last year realtors sponsored most of the events and made many donations. We also received the proceeds from the Manhattan Dolls and BBQ put on by the activities committee. There were many other donations from Sunflower residents as well, including dues paid by members. This all contributed to the veteran club's ability to help so many organizations. We would also like to thank all the volunteers in the community that help with these fundraising events and the operation of the club.

The meeting this month is February 5th, 10 a.m. in the fiesta room and on Zoom. Our speaker is a couple that founded the Rockin' 4 Heroes organization that has a concert every November to raise funds for 1st responders, active military, veterans, and Gold Star families. The concert is free but there are many ways to support their organization. Come listen to their story and what they are doing to support these special people.

At the March meeting, we will be electing a new board. If you are a veteran and wish to volunteer your time and help further support the club, please let the board know or come to the next board meeting on February 5th at 11:00 a.m. right after the membership meeting in the Fiesta room. Besides the executive board we are also looking for additional at-large directors, please consider joining the board.

WE HOPE TO SEE ALL SUNFLOWER VETERANS AT THE NEXT MEETING!!
