TECH FUN

Funny quote about Technology:

“The factory of the future will have only two employees, a man and a dog. The man will be there to feed the dog. The dog will be there to keep the man from touching the equipment.”

— Warren G. Bennis

TECH TALK

We do our best to find interesting speakers to present at our member meetings on the third Wednesday of the month in October to May. Let us know of topics and speakers you recommend. We also welcome Sunflower residents to give Tech Talks whether or not they are Tech Club members.

January 8 @ 10:00 a.m. - Member Meeting in the Fiesta Room

TECH TALK: The Joys of 3-D Printing

Join us to explore the exciting world of 3D printing as a hobby with James Smith! Discover how this affordable pastime offers endless creative possibilities, allowing you to dive in as deeply as you wish. While it can be both frustrating and enjoyable, the journey is accessible for everyone — if he can do it, so can you! He'll be bringing his 3D printer, showcasing some exciting samples, and demonstrating its operation live. Don't miss this opportunity to see how 3D printing can transform your hobby experience!

DISCLAIMER

The Sunflower Tech Club invites vendors to share information about their technology products and services at monthly Tech Talks. We do greatly appreciate all vendors for taking time to share their expertise. However, please note, this invitation to participate in Tech Club events or communications does not constitute an endorsement of any products or services. Therefore, the Sunflower Tech Club is neither liable or responsible for the quality or performance of any vendor, product or service.

Come ready to both learn and teach!

Bring a friend. We are all learning at some level.

The only dumb question, is the one not asked.

All knowledge shared is appreciated.
