TECH TALK: The Joys of 3-D Printing

Join us to explore the exciting world of 3D printing as a hobby with *James Smith*! Discover how this affordable pastime offers endless creative possibilities, allowing you to dive in as deeply as you wish. While it can be both frustrating and enjoyable, the journey is accessible for everyone — if he can do it, so can you! He'll be bringing his 3D printer, showcasing some exciting samples, and demonstrating its operation live. Don't miss this opportunity to see how 3D printing can transform your hobby experience!

** Remember, you can see past meetings on **You Tube** – just search for *Sunflower Tech Club* on You Tube.

TECH HELP for Club Members: The **Tech Help Sessions** will be held this month on *January 4th in the Craft Room* and *January 16th in the Fiesta Room*. Both sessions will be from 2:00 to 3:00 p.m.
